I chose 5 because for my taste too many of the talks were not really related to the topic "listen", at least not the way I had hoped for. That made the sum of talks look inconsistently.

well organized, interesting talks and poster session- good place to get easily in contact with various open minded people and to learn more about "Listen" - how to change the world as a community.

I think there are nice talks, nice atmosphere, nice catering and a very perfect place for gathering with people. It was nice to share your ideas on the tables in the entrance. A friendly and open atmosphere was given by the "happy-band" in the afternoon as well as a party and evening atmosphere by the daensn-band. I liked it! Unfortunately the last session wasn't that interesting for me, but nevertheless I loved the first two sessions. Greetings!

Teils waren die Talks nicht so anspruchsvoll / tiefgehend, wie ich es erwartet habe. Trotzdem war der Abend durch das Cellospiel und den Gesang sehr vielseitig und das Buffet war sehr reichhaltig. Leider waren die langen Schlangen hierfür etwas störend. Wenn man sie vermeiden wollte und sich erstmal anderweitig beschäftigt hat, gab es danach aber teilweise nicht mehr alles. Es wären Zettel mit Hinweisen zu Inhaltsstoffen bzw veganem Essen hilfreich gewesen. Am Buffet draußen habe ich keine gesehen.

Improvement to 2017 on a organizational level, expecially dinner + coffee supply was perfect. side stage was a good idea for the hours prior the main event. But there was no need for side stage during the breaks. Be careful of not offering too much. There are already so many new ideas and concepts which need time to think about and to be discussed.

Loved it but some of the talks were a bit too common for my sense but maybe cause I studied social work. I thought there would be more new stuff. And I thought I should have looked more closely to the posters caus these projects were really practical and thats what I missed a bit in the talks.

Super well organised Event with interesting Speakers and nice Sideprogram. I didn't give 10 Points, because i had a lot of trouble to get inside. I was late 10 minutes to the first talks and the security didn't want us to enter. After 20 minutes of discussion they let us in finally during an applause break. NOWHERE was written that one can't enter the Conference after the programm started. That was really annoying. I hope that you communicated that better in the next conference!

It's a great Event!

Ich habe die Atmosphäre von Aufbruch sehr genossen und so viele neue Dinge zu erfahren! Gerade um neue Kontakte zu knüpfen ist es eine geniale Gelegenheit. Doch ich hatte den Eindruck, dass es nur für solche Menschen Mehrwert bringen kann, die für die Zukunft bereits ein konkretes Ziel ansteuern. Mir ging es so, dass ich doch mit mehr Fragezeichen den Ort verlassen habe. Bei der Vielzahl der Themen kein Wunder. Am Ende war gerade diese Tatsache das angenehme Feld aller Möglichkeiten :) für Menschen die konkretes brauchen, ist es wohl eher gut informativ ;)
